Given a scientific paper title, retrieve the paper's abstract
Bitcoin: A Peer-to-Peer Electronic Cash System

If an obscure legal term is given as the query, fetch text from law books or legal databases that can help explain the term.
celestial res nullius

Please write me a blog post about my recent hike of Mt. Fuji at midnight.

You have two ropes, each takes exactly 1 hour to burn. How would you use them to time exactly 15 minutes? The ropes are of uneven densities, so half the rope does not necessarily take half the time.
